## **Policies governing WESO missions**

1. The WESO Ministry Missions to be planned and held Biennially. This will enhance proper planning, solicit enough funds, and also allow fellowships to organize and carry out their missions.
2. The year the ministry Mission is scheduled fellowships should not schedule missions especially in the month of October, November, December and January.
3. All fellowships are required to support and avail at least 50% of its members to the Ministry Mission.
4. The mission should be inclusive of all activities, i.e. pre-mission, mission and post-mission activities. During the mission, apart from preaching Christ, we look forward to impact society socially and economically.
5. The mission committee leaders to oversee mission trainings in all fellowships before they hold missions.
6. There should be formal communication to the Missions Coordinator before a fellowship starts to plan for a mission. And only ratified fellowship missions will be allowed to take place.
