**WESO Ministry**

**Prayer Department**

**To Be Presented at the Annual General Meeting (AGM)**

## **REPORT FROM THE PRAYER DEPARTMENT FROM THE SPIRITUAL YEAR 2025 TO 2026**

We take this precious opportunity to thank the Lord Almighty for the grace He has apportioned to us all. Being the newest department in the WESO Ministry, the prayer docket has been able to take the task to ensure we labor in prayer and fulfill the mandate given as recorded in *Col.4.12 - Epaphras, who is one of you, a bondservant of Christ, greets you, always laboring fervently for you in prayers, that you may stand perfect and complete in all the will of God.*

Col.4.18 - This salutation by my own hand--Paul. **Remember my chains. Grace be with you. Amen.**

In the department, we had a representative from most of our fellowships across the nation, and as a team, we were able to achieve the following:

**1) Online prayer meetings.**

We were able to run online prayer meetings from 8:00-9:15m every 15<sup>th</sup> and the end of the month were we tarried in prayer through Google Meet. However, the attendance hasn't been good across the board.

**2) Physical prayer meeting.**

On 5<sup>th</sup> December 2025, the department, through the WESO Nairobi region leadership, had a Kesha at the WESO KU fellowship, which was a success.

As the next spiritual year is approaching, we recommend that the fellowship coordinator help us reach out to individual fellowships so that we can pray as a WESO family. I would also urge leaders across to embrace our online prayer programs, even as we look forward to having many physical prayer programs.

May the grace abound.
